

Poole Diary

First Day in England

01.10.10

Hi Diary! I'm so excited, it's the first day and I'm going to England! In the morning I got up at 4 o'clock to get dressed. At 6 o'clock my mother drove me to the bus. My friends and I took our suitcases into the bus and looked for a place to sit.

At first we drove through Belgium, then through the Netherlands and then through France. The first two hours I slept because I was so tired. ☺ When we were in France we went to a big ship to get to England. On the ship it was very cool, we took many funny photos. In England we drove 5 hours with our German bus, which had to drive on the left street side. The steering wheel in English cars is on the right side.

At 8 o'clock we arrived in Poole and we were put into our different families. I saw Laura at once and hugged her in a friendly way. We had very much to talk about and at 23 o'clock I went to bed and slept.

Good Night,
Diary ☺

Second Day in England

02.10.10

In the morning I got up at 9 o'clock. The breakfast was funny. ☺ Different to German breakfast, „beans on toast“. But I mean it was good. I liked it. At 11 o'clock Laura asked me to go shopping, I wanted to and so her Dad drove us to the shopping centre in Poole. It is called „Dolphin“. We met Hannah, a friend of Laura's, with her German student Julija. I saw the shops „new look“, „beads“, „lush“... and more. Than we bought sweets, mhmm!
At 16 o'clock Laura's Dad drove us to the harbour! Really beautiful! I enjoyed the view. After that we went bowling. All English and all German students. I talked with my friends about their families. When we were at home, I phoned my boyfriend.
In the evening friends were coming. Abby, a friend of Laura, with her German student Alessya and her family. We ate pizza and played Wii the whole time. Then we played with Laura's hamster „Crumble“. She is so cute! After the friends had gone home, Laura and I talked until midnight. Now I will sleep,
Night

Third Day in England

03.10.10

Hello Diary! This morning I got up at 9 o'clock again. I went downstairs and played with Laura and her sister Helena Wii "Just Dance". I won! ☺ We ate beans on toast. Then we watched "The Simpsons Movie". After lunch we drove to Bouremouth.

We walked along the pier. The sea was very nice, I took lots of photos. Some guys were surfing and I watched them and the beach. The sun didn't shine but I mean it was really a beautiful landscape there! After I had enjoyed the view enough, Laura's family and I went to the Oceanarium. It was very cool with the fishes and other animals there! I took many photos again. Then we walked back to the beach and got the cliftrain.

When we were at home we watched another movie, "2012". We ate dinner (meat (for me vegetarian meat), vegetables, cauliflower and broccoli with a dressing). It was very delicious! Than we played "Cluedo" and Laura won. Before I went sleeping, Laura and I watched "Doctor Who", a British TV show,
Now bed! <3

Fourth Day in England

04.10.10

In the morning I got up at 7 o'clock. I took breakfast, a normal breakfast, toast with Nutella. We walked 20 minutes to school, because it didn't rain.

In the first lesson we had I.C.T. and in second lesson art (I helped Laura with her pot☺).

Angelica, Regine, Julia and Jeanne were in this lesson too!

Then the German students drove with the bus to the harbour and the English student stayed at the school.

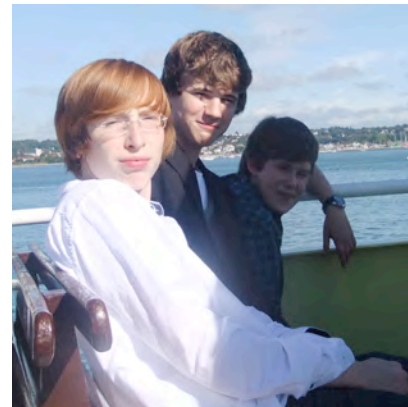

When we came to the harbour, we went on a boat trip. The sun was shining, so it was really beautiful☺!

After that we went to the Dolphin Shopping Centre in Poole and I bought some pullovers from Lonsdale. Then we drove with the bus back to school. Laura forgot her key and so we went to her grandparents – very nice people!

We watched English TV until Laura's mom picked us up and got us home. Then we went to a candy shop "M&K" and I bought chocolate. In the evening we ate dinner and Laura's family told me funny stories about Laura and Helena, when they both were babies. I took a shower and now I go to bed,

Night ♥

Diary!

Fifth Day in England

05.10.10

Hey Diary! This morning I got up at 7 o'clock. I ate croissants with Nutella for breakfast. We watched TV and then Laura's drove us to the St.Edward's. The German students drove with the bus many hours. Then we came to Stonehenge.

After Stonehenge we went to a cathedral – it was nice ☺!

Then we went shopping, I bought many things – one English book, shampoo and tea - souvenirs for all my friends and relations. Then we drove back to school and Laura, Helena and her grandmother (called “Granny”) took me home. We watched “Doctor Who” again and Helena Tried to read German things ☺ - really cute!

We ate dinner and I phoned my boyfriend (I told him I don't want to come home!☺). We took a shower, now I go sleep <3

Good night,

Diary ♥
